1. POLICY : INTERNATIONAL STUDENTS ATTENDANCE

1.1 Purpose and Scope

Waikato Institute of Technology (Wintec) is committed to ensuring international students are successful in their studies, and meeting the requirements of the Code of Practice for Pastoral Care of International Students by the Ministry of Education.

Monitoring attendance is one of those requirements:

Section 16 Monitoring attendance to ensure student welfare

- 16.1 Signatories must have processes in place to:
- 16.1.1 Ensure that international students are maintaining their course requirements; and
 - 16.1.2 Follow up in the event that a student ceases attendance before course completion. As well as ensuring we comply with the Code, and that students meet Immigration New Zealand's standard requirement of attendance, monitoring also helps us pick up quickly on potential problems. Where we have attendance monitoring in place we have found it is improving retention and completion for all students. This policy applies to all students enrolled at Wintec as international students. This policy does not apply to permanent residents or domestic students.

1.2 Policy

In line with the Code of Practice, Wintec will monitor attendance of international students and report internally and externally as appropriate when that attendance falls below acceptable levels.

Through this policy Wintec will:

- o Provide support for international students in their studies at Wintec
- o Address any identified areas of concern for international students at Wintec
- o Ensure procedures for monitoring international students' attendance are effective
- o Develop mechanisms for attendance monitoring of international students
- o Clearly convey information about attendance monitoring of international students processes to all parties involved

As required by the Code of Practice for the Pastoral Care of International Students Wintec declares that an assessment of this student has been undertaken to ensure that they are able to participate effectively in the course, and the course offered meets this prospective student's proficiencies and career intentions (clause 7.1)

Code of Practice information for students and parents:

<http://www.minedu.govt.nz/NZEducation/EducationPolicies/InternationalEducation/ForInternationalStudentsAndParents/CodeOfPracticeInfoForStudents.aspx>

You will be automatically enrolled into the Wintec Insurance scheme and a policy charge will be added to your tuition fees invoice at your enrolment. Students who have opted to purchase an alternative approved policy will have this charge removed once you have presented your policy to Wintec at the Student Enrolment and Information Centre. Where insurance is provided by an overseas provider, students must provide Wintec with the policy details in English.

Further details of the Wintec Insurance scheme – including policy documents and an insurance claim form – can be found on the Wintec website at <http://www.wintec.ac.nz/international/general/Pages/insurance.aspx>

Summary of Appendices

Appendix 1 : Policy International Students Attendance
Appendix 2 : Policy Students Fees and Refunds – International
Appendix 3 : Methods of Payment
Appendix 4 : Insurance
Appendix 5 : Accommodation
Appendix 6 : Student Visa
Appendix 7 : Acceptance Form

1. POLICY : INTERNATIONAL STUDENTS ATTENDANCE

1.1 Purpose and Scope

Waikato Institute of Technology (Wintec) is committed to ensuring international students are successful in their studies, and meeting the requirements of the Code of Practice for Pastoral Care of International Students by the Ministry of Education.

Monitoring attendance is one of those requirements:

Section 16 Monitoring attendance to ensure student welfare

- 16.1 Signatories must have processes in place to:
- 16.1.1 Ensure that international students are maintaining their course requirements; and
 - 16.1.2 Follow up in the event that a student ceases attendance before course completion. As well as ensuring we comply with the Code, and that students meet Immigration New Zealand's standard requirement of attendance, monitoring also helps us pick up quickly on potential problems. Where we have attendance monitoring in place we have found it is improving retention and completion for all students. This policy applies to all students enrolled at Wintec as international students. This policy does not apply to permanent residents or domestic students.

1.2 Policy

In line with the Code of Practice, Wintec will monitor attendance of international students and report internally and externally as appropriate when that attendance falls below acceptable levels.

Through this policy Wintec will:

- o Provide support for international students in their studies at Wintec
- o Address any identified areas of concern for international students at Wintec
- o Ensure procedures for monitoring international students' attendance are effective
- o Develop mechanisms for attendance monitoring of international students
- o Clearly convey information about attendance monitoring of international students processes to all parties involved

As required by the Code of Practice for the Pastoral Care of International Students Wintec declares that an assessment of this student has been undertaken to ensure that they are able to participate effectively in the course, and the course offered meets this prospective student's proficiencies and career intentions (clause 7.1)

Code of Practice information for students and parents:

4. INSURANCE REQUIREMENTS

Medical and Travel Insurance

It is compulsory for International students to have appropriate and current medical and travel insurance while studying in New Zealand.

Your insurance must cover you from the beginning of your studies until at least the expiry date of your student visa. This is a New Zealand Government requirement as outlined in the Code of Practice for the Pastoral Care of International Students and under Immigration New Zealand policy.

You will be automatically enrolled into the Wintec Insurance scheme and a policy charge will be added to your tuition fees invoice at your enrolment. Students who have opted to purchase an alternative approved policy will have this charge removed once you have presented your policy to Wintec at the Student Enrolment and Information Centre. Where insurance is provided by an overseas provider, students must provide Wintec with the policy details in English.

Further details of the Wintec Insurance scheme – including policy documents and an insurance claim form – can be found on the Wintec website at <http://www.wintec.ac.nz/international/general/Pages/insurance.aspx>

5. ACCOMMODATION AND AIRPORT TRANSFER

Information on our accommodation and airport transfer can be found on the Wintec website at <https://www.wintec.ac.nz/international/living-and-studying-in-new-zealand/accommodation>

Please contact international.accommodation@wintec.ac.nz at least two weeks prior to departure. The accommodation fees and airport transfer fee are not included in your tuition fees.

Under the NZQA Code of Practice for the Care of International Students, Wintec requires all students who are under the age of 18 to be housed in the Wintec approved accommodation.

Wintec confirms that this student's accommodation is compliant with the Code of Practice for the Pastoral Care of International Students aged under 18.

To request a credit transfer, please submit the following three components:

Note: Course outlines must include: course title, number/code, description, learning objectives, topics covered, textbook(s) used, assignments, evaluation scheme, etc. The outline should reflect the semester in which you successfully completed the course. (ie. Same Academic year)

Requests are forwarded to the Academic Team for review and students are notified of the decision(s) through email.

The Credit Transfer Request Form and corresponding outlines may be submitted via [email](#). If you do not have an official, sealed transcript (as described above), please request your previous institution(s) to mail one to:
