## Objective of the Programme

- Imparting knowledge on the advancements & latest developments in the area of Drives instrumentation and control to faculty members
- To enhance the interface between theoretical knowledge on the topic along with practical experience.

## Programme Content

- Emerging trends in industrial instrumentation
- Data acquisition system and control
- Sensors for process instrumentation in industry
- Emerging trends in Industrial automation
- Advancements in flow measurement techniques
- Introduction to drives and its different configurations
- Selection and Performance evaluation of induction motor drives in industries

## Programme outcome

The participants will be able to develop a clear-cut understanding of industrial instrumentation, sensors, and industrial automation. In addition to the presentation by various industrial experts on latest developments in the fields, it will also be very useful for faculty members to pursue their Ph.D. in the area of Industrial drives and control.

## Viswajyothi College of Engineering and Technology, Vazhakulam

VJCET is established in the year 2001 by the Technical Education Trust of the Catholic Diocese of Kothamangalam, with the approval of AICTE and affiliated to Mahatma Gandhi University. VJCET focuses its activities with a vision of moulding engineers par excellence with integrity, fairness and human values. The college is situated at Vazhakulam, the City of Pineapples, 7kms from Muvattupuzha.

The college offers 6 B.Tech(CE, CS, EC, IT, ME & EEE), 3 M.Tech and MBA programs. The college has excellent infrastructure with fully equipped laboratories, hostels, etc. VJCET had produced a number of rank holders and hold excellent placement record. Within 18 years after its inception, the college has grown as a front-runner among the new generation Engineering Colleges of Kerala and is the preferred destination for technical education.

## Department of Electrical and Electronics Engineering

The Department of Electrical and Electronics Engineering—accredited by National Board of Accreditation, is established in the year 2004 with well equipped state of art laboratories. The Department has a fine blend of renowned as well as young and dynamic personalities as faculty members, who have been motivating the students for getting the best out of them. The department offers under graduate program in electrical and electronics engineering with an intake of 60 students. The department focuses on overall development of the students by encouraging them to take part in student's association activities, internships and industrial training. The department secured Six University Ranks since its inception, and the 1st Rank of 2013-'17 batch adds a jewel to its crown.

## How to Register

Faculty from Engineering college / Poly Technique institutions and professionals from industry can apply in prescribed format through email to [mereya@vjcet.org](mailto:mereya@vjcet.org) on or before 25<sup>th</sup> June 2019. Once registered, you will receive a confirmation mail containing filled application form. Kindly take a printout of the same duly signed by the head of institution and should be handed over to the coordinators while attending FDP. The registration fee of the programme is **Rs. 500/-** which can be paid at the registration desk on **1<sup>st</sup> July 2019**.
