Installation done by	Mr.Sainudheen M, Technician, Meshilogic
Installation Date	05/07/2010

This is certify that the Meshilogic, Kinfra Techno Industrial Park, Calicut University P O- 673635 has installed the above mentioned Software in our organisation.

Authorised Signatory

Name of Signature of Authority

Provider's (ISP) computer (hereinafter referred to as 'Hosting Service'). The Client hereby authorizes MeshiLogic to access this account, and authorizes the Hosting Service to provide MeshiLogic and build with full access to the client's account and any other programs needed for the Software Project that are included as part of the Client's proposal agreement.

2. Modules and Features of the Online TCS ERP Software

MeshiLogic will install 'Online TCS' software in the clients hosting space with following modules and features :

1	ACADEMIC MANAGEMENT
	<ul style="list-style-type: none"> ➤ Institution, Streams, Courses, Class, Batch & Academic Year Settings ➤ Academic Calendar ➤ Classes and Semesters settings to set up start date and end date of each programmes or semesters, Attendance blocking facility for individual classes till specified dates ➤ Setting up admission quota for different categories like General, Management and Community Quota with option to categorise students accordingly.. <p>Student Management</p> <ul style="list-style-type: none"> ➤ Student details entry at the time of admission with option for mandatory fields ➤ Parent Master along with student details entry ➤ Upload student photo ➤ Search for student details with admn. no, name etc ➤ Student Roll No generation with option for different sort orders ➤ Generate/entry identification nos. like University reg no based on admn.no. ➤ Promotion of students ➤ Shifting of students to different courses ➤ View/change status of students like active, TC issued etc. ➤ TC Issue ➤ Import student data using excel formats ➤ ID Card Printning

Faculty Details

- Faculty / Staff Grades
- Staff access to concerned classes
- Paper settings for teaching faculty
- HOD & Class Tutors
- Staff Job Positions

Customized Certificates

- Transfer certificates, Course & Conduct Certificates
- Other customized certificates upon request

Reports

- Student details report having option to set columns dynamically
- Nominal Rolls & Categorized Nominal Rolls
- Student wise Record (Profiles)
- Address Slips
- Promotions List
- TC Register
- Teacher/ Staff Profile
- Hours Engaged report
- More than 30 reports with various details in Academics

2

ATTENDANCE

- Various types of attendance entries
- Attendance entry from teacher login for paperwise class attendance entry
- Attendance entry from Admin/HOD/Tutor login for special occasions with option to update paperwise class attendance entry
- Absentees only entry option
- Student wise attendance entry for selected months
- Block attendance entry for a class till specified date
- Attendance calculation based on college calendar working days or calendar days
- Setting regular class on holidays and vice versa
- Duty Leave entry for students involvement in official activities

Reports

- Studentwise daily and monthly reports
- Studentwise attendance percentage for a given period
- Attendance shortage list/ irregular student list
- Consolidated paperwise attendance register
- Unmarked staff list / Unmarked hours

3

TIME TABLE

- Day and Period Settings
- Semester wise day periods
- Subjects grouping for Time Table
- Manual Time Table Entry
- Holiday Adjustment
- General Time Table
- Work Adjustment for staff on leave with attendance entry option for the adjusted staff in their portals
- Reports

4

PORTALS

- Portals for teachers, students and parents
- Add new users and user settings
- Set user privileges

Faculty / Staff

- Attendance Entry, Faculty Dashboard
- Internal Exam Mark Entry
- Attendance and other Reports
- Work Adjustment request and acceptance
- Syllabus, Question paper & Assignments upload
- Staff Profile entry with details

5

EXAMINATION

- Subjects and Subject components settings
- Grouping of subjects to facilitate common subject for different courses
- Papers taught in a class with grouping facility for timetable arrangements
- Internal mark components and mark distribution

- Internal mark calculation for different components
- Paper assessment settings
- Grades in the examination with setting options

Examination Conducting and Hall Arrangements

- Examination type & Room type settings
- External and Internal examinations
- Private candidates in external examinations
- Examination schedules
- Resource room allocation and resource room details
- Seat allotment for examinations with dynamic options
- Exam Hall view
- External examination attendance entry

Reports

- Student wise Internal Mark list
- Paper wise internal marks
- Consolidated Internal Marks Form A & Form B (MG University)
- Internal and External Examination Attendance
- Internal Exam Grades

6 PLACEMENT MANAGEMENT

Placement is the most crucial activity of all institutions. This module helps to handle all these activities easily. Placement determines the reputation and ranking of the institution. The institution has tremendous responsibility in terms of good placement for their students. The placement module very efficiently handles everything and reduces the pressure of institutions.

- Data of shortlisted students to excel file based on Search Criteria
- Manage Create Placement Cell and Members
- Track and Manage Placement process of each Job Posting individually
- Authenticate and activate the student profiles
- Manage Company Profiles (Add/ delete/ modify)
- Manage Job Postings (Add/ publish / delete)
- Send Notifications to students
- Create shortlist of students as per HR Manager(s) Job Request
- Email shortlisted students details with/without resume to HR Manager
- Export student profile (Flexibility to Hide/Unhide students already placed)
- Time & Role Based Secured Access to Students

7 FEE MANAGEMENT

- Fee demanding facility by Accrual system
- Fee chart settings, installment handling
- Individual and group fee demanding facilities
- Class wise, student wise and item wise demand register.
- Daily fee collection register
- Class wise, student wise and item wise consolidated collection register.
- DCB Statement (Demand Collection Balance report) – Class wise, student wise, and item wise
- Receipt printing Defaulters register,.

8	STAFF PERFORMANCE EVALUATION
	<ul style="list-style-type: none"> ➤ Evaluation keys ➤ Evaluation item settings ➤ Evaluation attributes under each items ➤ Evaluation details ➤ Evaluation remarks ➤ Reports
9	FINANCIAL ACCOUNTS (in Double Entry System)
	<ul style="list-style-type: none"> ➤ Financial Year/Period Specification ➤ Ledger keeping and Reporting ➤ Journal Voucher Entry ➤ Cash Receipt/Payment Voucher ➤ Bank Receipt/Payment Voucher ➤ Debit Note/Credit Note /Voucher ➤ Bank Reconciliation entry ➤ Receivable and Payable Account, Receipt and Payment ➤ Item wise and consolidated register ➤ Access Privilege and Security at the highest level ➤ Year End Process and Year Close ➤ Trial Balance, Income & Expenditure ➤ Balance Sheet, Schedule of Balance Sheet
10	PD ACCOUNT
	<ul style="list-style-type: none"> ➤ PD Account Cash Receipts and payment ➤ Item wise & Consolidated PD Cash Register ➤ PD Account Management

3. Completion Date

MeshiLogic and the Client agree to work together to complete the Software Project in a timely manner. MeshiLogic agrees to work expeditiously to complete the Software Project on confirmation received from the client through a purchase order.

On receiving the Purchase Order MeshiLogic will install the software in the clients web hosting space within one week and the implementation of the software will be completed within 2 months of installation. Training for the concerned staff of the client

will be completed within the implementation period. MeshiLogic will not be responsible in delayed implementation of the software due to delay in getting data from the client or client not providing necessary arrangements for training of its staff and/or non availability of its staff for training.

4. Data Entry

College has to arrange staff for data entry. If soft copy of data is available, we shall convert the data programmatically into the system avoiding data entry in most cases if data available in Excel File.

5. Project Delivery

The final Software will be published on the Client's hosting service after which the final, outstanding payment becomes due. The Client understands that MeshiLogic will provide hosting services as part this Software project which will be free for the first year and can be renewed after one year at prevailing rates. If the client wishes to host the software in its own hosting space , owned or shared, the Client authorizes the hosting service to allow MeshiLogic full access to the Client's account via FTP {File Transfer Protocol}. The Client will be solely responsible for any and all domain registration/renewal and hosting service charges.

6. Payment Schedule

Payment for services shall be made in accordance with the conditions of MeshiLogic's Package. Price of **Rs.2,88,000.00** plus tax @5%. The Client agrees to make an advance payment of 50% of the said amount. Final payment will be due as soon as the software project has been implemented in the client's institution. (i.e on completion of installation, implementation, training to the concerned staff and completion of user acceptance test).

7. License Ownership

On completion of the project and full payment the client will get the license to use the software on perpetual basis. The client acquires the ownership of the software excluding the ownership of source code of the software.

8. Software Support and AMC

The deployed software will be provided with a 1 year warranty period. Warranty starts next day of the acceptance testing on customized module completed by users in the application. During the warranty period if the deployed software is not performing in accordance with functional requirements it will be rectified without any additional cost. Any major enhancements or changes will not be part of the warranty and will be managed through the change management process. Additional requirements or customization works are subject to charge extra.

On completion of one year free support system can be maintained with (Annual Maintenance Contract) for one year with approximately 18% of the total project cost in which Meshilogic will install updates and minor changes without additional charges. AMC shall not be applicable if the client opted for subscription based rating.

- a) Free Support period will start from the date of completion of data upload and training to the concerned staff.
- b) AMC is calculated on a calendar year basis and payable annually. Meshilogic will invoice them on the 1st day of the month of commencement of AMC and should receive payment by 31st of that month for the relevant year.
- c) AMC for a part year will be calculated proportionately based on the number of days left in the year.
- d) Charges for hosting space are not part of AMC
- e) Customization requirements are not part of AMC or Free Support
- f) Repairs due to network and/or problems related to third party softwares (other than 'Online TCS' software provided by Meshilogic) are not part of AMC or Free Maintenance support during first year.
- g) AMC or Free support will not cover any damages due to unauthorized repairs of the software or attempted repair of the software carried out by the client.
- h) Total customization charges for a year is calculated based on the customization invoice raised in the year and also the percentage of completion of each customization work till year end.
- i) Total customization charges in the previous year will be added to project cost calculation in the succeeding year only, providing one-year free support, and thereafter, AMC shall be calculated based on the new project cost.
- j) The maintenance charge (AMC) percentage may be revised annually according to market and currency value.
- k) Service Taxes applicable from time to time will be extra on AMC charges mentioned above
