Aptitude Training Summary and analysis Report of 2022 - 23

The Aptitude Training was conducted for the students of Final Year in the Academic Year 2022 - 23. The Training was planned and executed for 14 days. The Training was focused mainly to improve the aptitude skill of the students of Final Year, As it would help them to tackle the First stage of the campus Placement.

The training was scheduled for the Final Year Students, Students are evaluated based on the Skill set and divided into groups. These Groups are trained based on the ability of the students, Intensive training is given to all the students to enhance their aptitude skills.

The Training is conducted during the regular class hour as the part of the curriculum. Feedback was collected after each session and trainers were evaluated and effective action based on the feedback was discussed and implemented.
