Functioning of Student Council

A Student Council is formed in every year by conducting an election following the rules given by the University. Union Members are a group of elected students working together with the faculty advisors to provide a better learning environment. Student Council serves as the voice for an entire student body to promote and encourage the involvement of students in organizing institute activities.

Involvement of students in administrative processes – class/course committees

A **Class Committee** comprise of a senior faculty who does not handle any course for the class as Chairman, faculty Advisor of the class and all the faculty members engaging different courses of the class and **2 student representatives** from the class. A class Committee is conducted twice in a semester so that the student representatives can raise their suggestions and feedbacks.

A **Course Committee** is formed for common courses such as Mathematics, Physics, and Chemistry etc. It has to be constituted by the Principal for each course. The chairman shall be a senior faculty member not offering the course. All faculty members handling the course for various classes and **4 student representatives** among different classes shall be members.

Class Committee Meeting Minutes

Date : 27/9/22

Time : 1:15pm

Venue : CSE Project Lab

1. Discussed about the subject coverage of each subject.
2. Faculties commented that students behaviour in class is good
3. Students are satisfied in class and all other teaching learning process.

Members

1. Mr. Joe Mathew Jacob
2. Mr. Andrews Jose
3. Ms. Nimmy George
4. Ms. Devina Vipulan, CE Dept
5. Ms. Libsy Ann Merin Baby
6. Ms. Kthya Sara Babu
7. Mr. Akash Paul Davio
8. Mr. Jomu George

Events Conducted –DRISHYA 2023

The College Arts & Cultural Fest - **DRISHYA** is conducted every year to give the students a platform for improving their capabilities to work as a team and raising their level of self-confidence in interacting with everyone. Various arts competitions were conducted in different stages. All the departments participated in the events with great enthusiasm. Over the two days, many young energetic talents took the stage and delivered a host of performances.

PRINCIPAL

In order to instill the true spirit of competition, the cultural committee of the college, comprised by staff and student representatives, grouped the students of various branches and batches into 4 different houses. Faculty in-charges are assigned for each house to support and advice them in undertaking those activities. The competitions are conducted house wise. Winners of the competitions were awarded certificates and trophies and the ever-rolling trophy also was awarded for the champion team.

Arts & Cultural Fest - DRISHYA 2023

Inter-Collegiate Technical Fest- BODHI

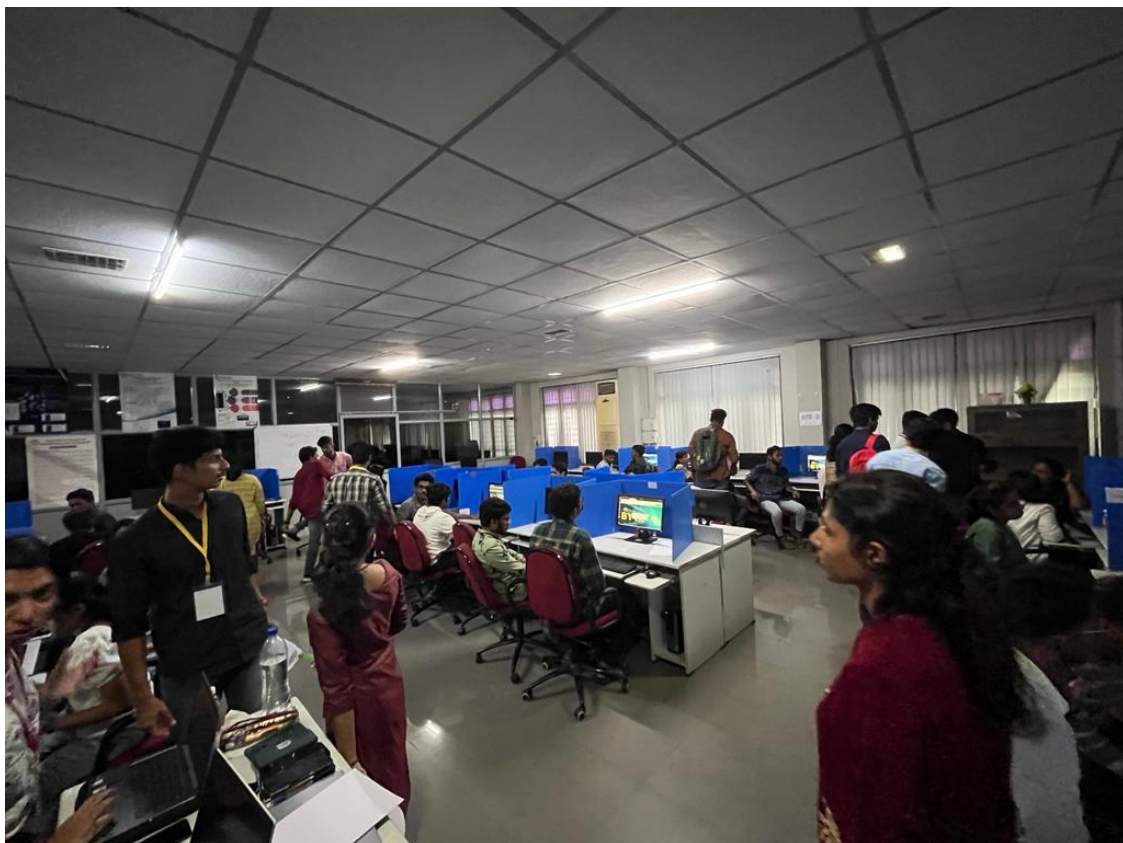

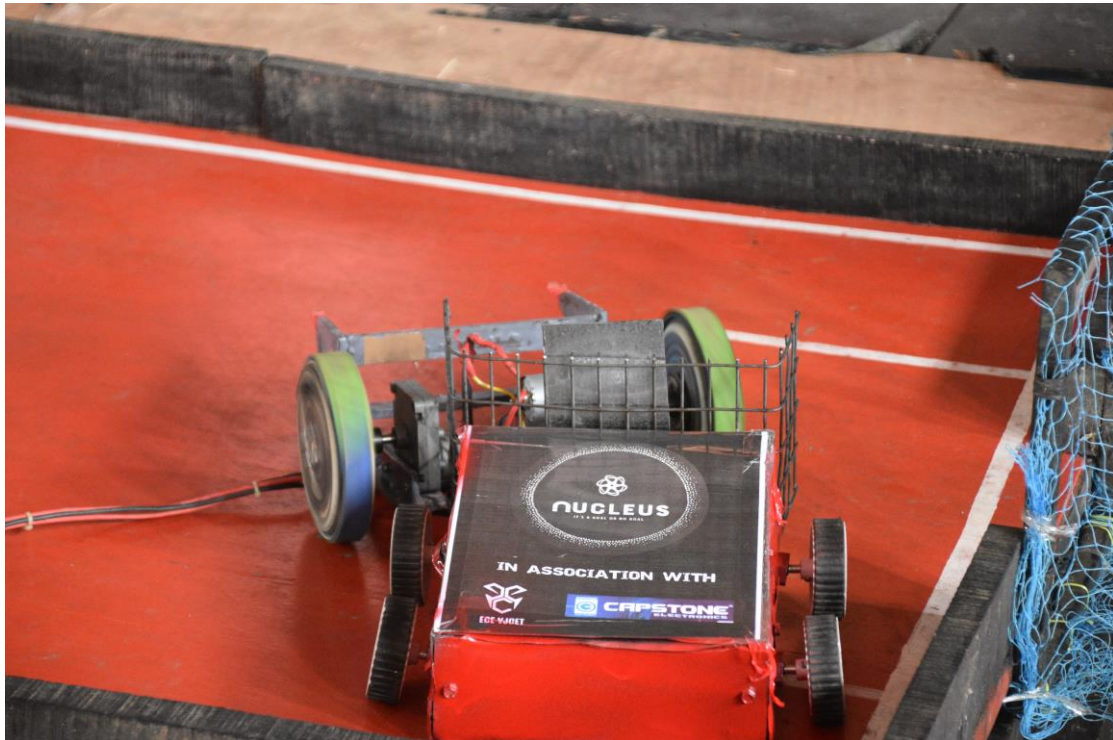

Each different branch of learning comes with its own set of technical skills. So an annual inter-collegiate technical festival-BODHI is organized in department wise. Though the creative possibilities are endless, many technical and entrepreneurship events are held during the fest which includes Coding competitions, Technical workshops, Paper Presentations, Exhibitions, Quizzes, Treasure hunts etc. It's a grant success due to the participation students within the college as well as from other institutions.

NSS ACTIVITIES

With the active representation of students, an Aided unit of National Service Scheme (Technical Cell) Unit-197 is started in the College to promote social consciousness, a sense of responsibility, and a sense of discipline and dignity of labor among students. The scheme utilizes the leisure time between studies of students, in various item of social service, which not only helps the community, but also develop the personality of students.

NSS NRPF volunteers of VJCET decided to practice afforestation for van mahotsav from 01/07/2022 to 07/07/2022. All the volunteers planted trees in their own homes as part of this event.

Rudhirasena NSS volunteers of VJCET conducted the second stage of blood donation camp on 4th July 2022. The 2nd stage was completed with 73 donations. In total, we were able to complete 145 donations.

The promotional event for Clean Tech Challenge was successfully carried out by NSS VJCET in collaboration with the Energy management cell, Government of Kerala, KTU NSS Cell and Energy Cell of NSS VJCET. The program was coordinated for the NSS volunteers near MAIN AUDITORIUM VJCET from 3.30 to 4.30 pm in the college campus on 26/07/2022. An interesting quiz session was held in the beginning which added beauty to the ceremony and the winners were awarded.

As a part of Nature Conservation Day the maintenance and cleaning activities on the vegetable garden was done on 28th July by the NSS volunteers. A bunch of vegetables were harvested and weeds were cleared from the garden.

KTU Care Coordinators of NSS VJCET collabed with Renal Care Foundation for collecting money for dialysis Coupon and it's given to one who needs the most. As a kick start to this flagship event, the Renal care foundation provides us a platform for the official coupon handling. They presented the coupon to our principal and our team. Principal Mr.K.K.Rajan and all the eminent ones present over their especially MLA Mathew M Kuzhالنadan appreciated our startup.

The NSS volunteers of VJCET, under the guidance of KTU Care coordinators of VJCET NSS, visited Snehatheeram Rehabilitation Center located at Machiplavu, Adimali on 24 September 2022, as a part of 'one day one rupee' mission. We were able to contribute them some necessities like clothes, bedsheets, towels and other necessary items. Only a limited number of volunteers were allowed to visit the orphanage and they indulged in the precious moments of that day.

VJCET Tourism Club associated with the Tourism Department of Kerala and DTPC ernakulam and conducted a cleanup drive at Bhoothathankettu as part of Tourism Day on 27th September 2022. VJCET NSS took initiative of Captains Foundation in which the volunteers helped in removing plastic waste near bhoothathankettu park and the wastes were disposed properly. The volunteers actively participated in the cleaning process.

The inauguration of the drug free campaign by the department of higher education was done by honorable chief minister of Kerala , Shri Pinarayi Vijayan at 9:45 am on 6th October. The event was telecasted live at the main auditorium of viswajyothi college of engineering and technology. All students appeared for the event.

On 8th october 2022, the dynamic NSS volunteers of VJCET participated in a marathon organized by the women's association Muvattupuzha. The marathon was a part of the "GIRLS NIGHT OUT @ MUVATTUPUZHA", an initiative by Dr. Mathew Kuzhالنadan

MLA. The event aimed at empowering women and to encourage them to step out into the streets without worrying about their safety. The marathon was kicked off from KSRTC stand Muvattupuzha and ended at Velloorkunnam junction. Many enthusiastic girl volunteers of NSS VJcet participated in the marathon and the boy volunteers volunteered for the event with utmost support. The event encouraged the women to come out after the dark and created a nightlife in the town. It also emphasized the noteworthiness of self defense. The event was a sensation and received an extraordinary response from all.

The 74th republic day of our country was celebrated by VJcet NSS volunteers on 26 th January at 10 am. The Indian National flag was hoisted by Avoli panchayat president Srimati Shelmy Johns. The spirit of republic day was shared on this occasion by other dignitaries. The volunteers gathered around Avoli grama panchayat building and cleaned the surroundings. Plastic and e- wastes were collected and managed properly. Volunteers distributed sweets to panchayat officials, local residents and shop keepers.

A MULTI-PURPOSE SYNTHETIC COURT & MULTI- GYMNASIUM

VJCET specially developed a sports-centric environment that truly gives a global experience to all our students. Exercise not only energizes your body, but it also kicks starts your brain and can actually help improve your memory and increase your cognitive performance. Therefore, the college provides a well-furnished fitness center with most modern equipments which enable the students to have better coordination, agility and increased energy levels.

Academic, Administrative and Co-curricular Activities

Active participation of students in professional societies such as IEEE, ISTE, IETE, UNAI-ASPIRE, CSI etc by conducting technical events, inter college quiz competitions, student conventions and so on.

IEEE

An active IEEE Student Branch in VJCET helps our students to build a professional career with excellent engineering and technical skills, with responsibility. IEEE SB VJCET had conducted many events which help our students to increase their potential and sharpen their knowledge in various fields. IEEE SB VJCET has awarded the Outstanding Student Branch of IEEE Kochi Sub Section (2019), this was a milestone on the way of our success.

ISTE

VJCET has become the Institutional Member of ISTE in the year 2008 (Institutional Membership No: IM 1541). We have an active student chapter as well as the faculty chapter. The ISTE student chapter was opened in the year 2007 (Membership No KE51). Our faculty chapter consists of 110 lifetime members and student chapter consists of 788 student members.

IEDC

Innovation and Entrepreneurship Development Centers are established in academic institutions having requisite expertise and infrastructure. The Coordination committee of Innovation and Entrepreneurship Development Centre of VJCET was constituted on 20.10.2016 and activities are organized with the support of Kerala Start-up Mission. The coordination committee has representation for students and faculty members from all departments.

IETE

IETE Students Forum (ISF) of our college is organizing various programs like workshops, seminars, technical talks and other activities to improve the technical knowledge of students. All IETE members actively participated in different levels of events conducted by our college and other colleges also.

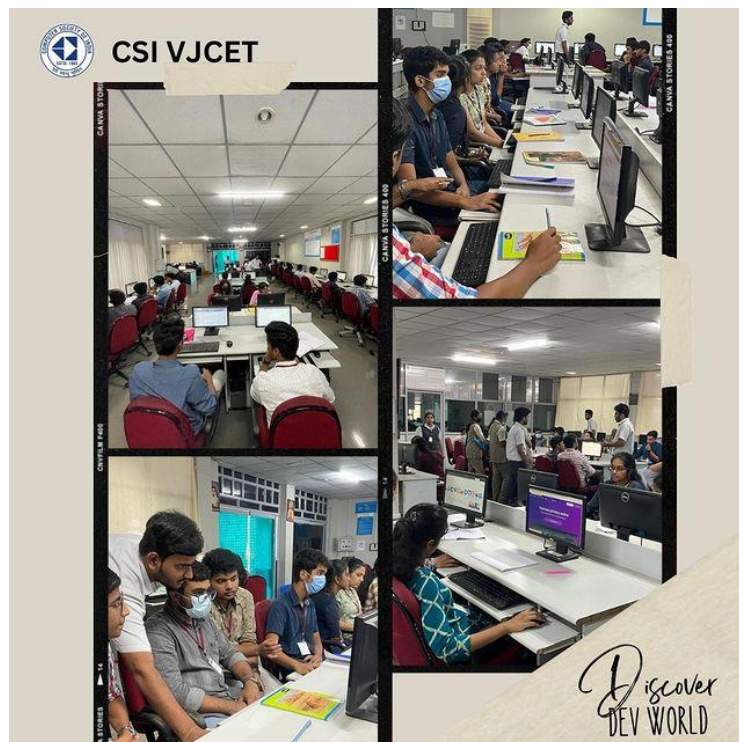

UNAI-ASPIRE

VJCET has become a member of United Nations Academic Impact in June 2017. ASPIRE chapter of VJCET started functioning from November 2017. The activities of UNAI were coordinated by the governing body consisting of faculty members and students from all the departments.

CSI

CSI Chapter Organizes knowledge sharing programs and seminars, new technology oriented talks by experts / allied workshops and HRD courses. Besides, various competitions like website designing, programming, debugging, technical quiz, are also our events that throw open a platform for student participants to measure up to the needs of the time as leaders and organizers.

Technical Training (Python) Summary and analysis Report of 2022 - 2023

The Technical Training on Python is conducted for the students of Final Year in the Academic Year 2022 -23. The Training was planned and executed for 20 days. The Training was focused mainly to improve the Technical skill of the students of Final Year, As it would help them improve their coding skills.

The Students are evaluated based on the Skill set and divided into groups. Intensive training is given to the weaker group so they can perform the same as the other batches.

The Training is conducted from 28th December 2021 to 16th July 2022 With 240 Registered students, out of which 158 students are eligible for certification.

Feedback was collected after each session and trainers were evaluated and effective action based on the feedback was discussed and implemented.
