## Messages

I am happy to share the homecoming experience of every Alumna and Alumnus brimming with the joy of reunion on the occasion of Annual Alumni meet at Viswajyothi College of Engineering and Technology. Smiles from miles afar! Each one in the gathering may unwind the air of authority that implies inherent responsibility. Nevertheless, whatever may be ones social bearing, scholarship or wealth, one's

deservingness depends solely on the right execution of responsibility. I appreciate and congratulate the organisers of the meet and the members who worked hard to bring out this Newsletter. I wish you all God's blessings to lead a responsible life.

**Msgr. Dr. Cherian Kanjirakompil (Manager)**

The alumni meet is a homecoming, linking the past with the present. A day like this is important as we get to meet the Alma Mater who is spread across the globe. A decade ago, ours was an institution in the blooming stage. Today, our students cover the globe in their search for knowledge and meaning and their contributions make a difference everywhere. As Alumni who truly love and faithfully

support this great institution, I know you share my pride in what we are doing. Let your experience inspire the young and take them forward to excel in life. I would appreciate to see that you use the influence to direct the development of our society positively. You should always endeavour to uphold good morals and act as an inspiration to the society. We cannot always build the future for our youth! We, at Viswajyothi College of Engineering and Technology build our youth for the future.

**Rev. Fr. Paul Nedumpurath (Director)**

Knelt is indeed my great pleasure to address the Alumni of our institution through this newsletter. Viswajyothi has always been keen on strengthening its Alumni network. Being moulded as engineers par excellence in varied disciplines, our Alumni have spread out their wings across their globe. We are proud of you, our Brand Ambassadors, as you have set an example of being a successful and good human being. Your affection towards your Alma Mater is reflected through the connectivity you hold with the college. Through this challenging time of the pandemic, you have proved to be a great resource for our college through webinars you take up to help your juniors. This is a great source of inspiration and motivation to them who in turn, consider you as their role-models. I heartily thank our Alumni on this occasion for the support you render to the college. Wishing you all success in your future endeavours.

**Dr. K.K.Rajan (Principal)**

## VJCET ALUMNI ASSOCIATION REPORT 2019-20

Established in 2005, VJCET alumni association creates and maintains a life-long connection between the college and its alumni, who number more than 7,000. VJCET has a very committed and vibrant alumni network with five chapters centered at Kochi, Trivandrum, Chennai, Bangalore, Qatar and UAE. Alumni are the most trusted brand ambassadors and VJCET is grateful to them for their generous patronage and support.

The Annual Alumni meet was held on 22nd July 2019 on the campus and it was well attended. VJCET alumni association president Dr. Josephkunju Paul C welcomes the gathered Alumni and all invitees. Fr. Dr. George Thanathuparambil, Director VJCET inaugurated the alumni meet by lighting the lamp and then delivered the inaugural speech. Dr. Sidharth Shelly, Secretary VJCET Alumni association presented annual report 2018-19. Mr. Arun K R, Treasurer presented the balance sheet. The annual Alumni newsletter is released by Dr. George Thanathuparambil & Mr. Mridul George. Mr. Somy P Mathew, Vice Principal, VJCET felicitated the gathering. The Event was glittered with speeches by the Alumni who shared their experiences. The general body elected the same executive committee for the next one year and approved the bye law for registration as per Section 12 of The Travancore Cochin Literary and Scientific and Charitable Societies Registration Act 1955. The formal meeting was ended up with a vote of thanks by Mr. Arun K R, staff in charge VJCET Alumni Association. A group photo session was held thereafter. In the post lunch session, the alumni visited their respective departments. The executive committee meeting was held on the same day in the presence of the VJCET Alumni Association President and Principal, Dr. Josephkunju Paul C.

All departments conducted Technical talks by alumni for graduate students in association with Industry Institute Interaction Cell and Alumni Association. These talks helped our students to understand the current advancements and scope in engineering field.

Induction Programme for Final Year students (2016-20 Batch) of VJCET was conducted on 15th December 2020 through online platform.

As recognition for final year students, the Alumni Association honoured students through the "Best Project Award" from each department with a cash prize of Rs.3000/- per team in Merit and Farewell Day 2020.

VJCET is growing at a fast pace, marching ahead with all its might, definitely with the right spirit and in the right direction. The college rightly envisions itself as a role model in technical education and seeks to be the most preferred choices of students, parents, faculty and industry. VJCET is guided by the core principles enshrined in our Vision statement- moulding engineers par excellence with integrity, fairness and human values. We build in our students a thirst of knowledge, a drive for excellence and work for the total development of their personality. VJCET alumni association maintains the updated and current information database of all members of the Association and provides a forum for the Alumni to interact with the college.

## Alumni association activities in association with various departments

### Alumni Talk

- A talk was organized by Civil Engineering Department on “Familiarizing yourself with the Field” was taken by Mr. Ajay Balan, Support staff (Central Water Commission) on 17th November 2020 to S3 Civil Engineering students in association with Alumni Association of VJCET chapter.
- A webinar on “Introduction to the field of Electronics & Communication Engineering” for S1 ECE students on 06-11-2020 by Mr. Varghese Benny (2014 - 2018 Batch), Founder and CTO, Rabbitsquare LLP.
- A webinar on “Electronic Industry- Post Covid” for S6 ECE students on 02-06-2020 by Mr. Narayanan Ranjith (2001 - 2005 Batch), Hardware Architect, Robert Bosch Coimbatore.
- An Expert talk on “How to tackle interviews in Core companies” for S5 ECE students on 23-11-2019 by Mr. Delin Paul and Mr. Ranju Kuriakose (2004 - 2008 Batch), Project Heads, Robert Bosch Coimbatore.
- An Expert talk on “How to start a startup company?” for S1 ECE students on 01-08-2019 by Mr. Jacs Job Pottas (2018 - 2012 Batch), CEO, Potts Devices and Systems.
- An Expert talk on “Cyber Security” for S1 ECE students on 22-08-2019 by Mr. Varghese Benny (2014 - 2018 Batch), Founder and CTO, Rabbitsquare LLP.
- A motivational talk for S7 ECE students on 26/8/2019 by Mr. Delwyn Joseph, FPGA Analyst, Digital Core Technologies and Mr. Basil Abraham, FPGA Analyst, VVDN Technologies Pvt. Ltd, Kochi Kerala [2014-2018 batch, ECE]

- A hands-on workshop on “REACT AND WEB DEVELOPMENT” by Mr. Manu Cherian, CEO & Founder, REVAC SOLUTIONS pvt.ltd. (2015 – 2019 IT Batch) was conducted for the students in association with Alumni Association and Industry Institute Interaction Cell of VJC on 6th November 2019.
- Orientation Program for First year students (2019-2023 Batch) by Mr. Mridul George and Mr. Ajay Basil Varghese on July 2019.

**Mr. Mridul George** (Alumnus 2005-09)  
Senior Software Developer  
Nielsen

**Mr. Ajay Basil Varghese**  
(Alumnus 2006-10 Batch)  
Assistant Professor-CSE,  
Adi Shankara Institute of Engineering and Technology.

- Technical Talk on MEP training by Mr. Akhileshkumar, Managing Director, M/s MTTC International (EEE 2006-10) on 14th February 2020 for S8 EEE Students
- Technical Talk by Mr. Manu John James, Managing Director, Empower Engineering(EEE 2008-12) in 'Electrical System Design' on 19th November 2019 for s7 EEE students.
- Webinar on 'Sliding Mode Control: Theory and Applications' by Dr.Devika K B, Post- Doctoral Fellow, IIT Madras(EEE 2006-10) on October 31st, 2020 for EEE Students
- Webinar on 'An introduction to Utility scale Solar power plant design' by Mr.Arun Kurian, Deputy Manager, Design Engineering, Ayana Renewable Power Pvt Ltd(EEE 2006-10) on November 7th, 2020 for EEE Students

- Mechanical engineering department and Alumni association VJCET jointly organized a Alumni talk on "Scope and opportunities of Marine Engineering" for S7 students on 3rd July 2020. Resource person was Mr. Mathaikutty Sunny, 2nd Engineer, Anglo Eastern Ship Management Ltd. The talk aims at giving awareness to the students about marine engineering. Basically it will be a brief description about the basic processes that occur in the field of marine engineering. Also, the talk aims at giving the students an overview about the different job prospects and higher studies that exist in the field of marine engineering.
- On behalf of Alumni Association and department of mechanical engineering organized a webinar on Project based learning system. Resource person was Mr. Manu Joseph, Asst Professor, Dpt of Mechanical Engineering, RSET, Ernakulam.

**Mr. Manu Joseph**  
Asst Professor  
Dept. of Mechanical Engineering  
RSET, Ernakulam.

**WEBINAR**  
SCOPE AND OPPORTUNITIES OF MARINE ENGINEERING

**Ashna Paul(2018 Batch)**

Senior Systems Engineer at Infosys Ltd.

I would like to say that the 4 years at VJCET were one of the best periods of my life. At VJCET, it always felt like a family, an another home, which helped me in my academic learning.I would always be grateful to all the faculty members , specially CS department of VJCET College for giving me a multi-dimensional learning by providing the apt mix of academics, industry exposure, attitude and leadership.

**Jesin Jaice**

Senior Systems Engineer  
Infosys Limited, Trivandrum

VJCET has given me the best 4 years of my life. It was not just a college; it was more like a second home to me. I proudly feel that I cherished every moment of my college. I was able to

find teachers and friends who inspired me and made me believe in myself. I will always be thankful to VJCET especially the teachers of IT Dept who have encouraged and supported me. I am proud to be a VJCian

**Alumni Messages.**

**Dr. Bibin Johnson [2005-2009 Batch ECE]**

Senior Design Engineer II | Coherent Acceleration Enablement

Xilinx | Hyderabad

When I look back 11 years ago it makes me feel wonderful. Wonderful for everything which I am today. Experience at VJCET was fantastic and laid the foundation stone for a challenging journey ahead. The four-year

journey has given me a direction, a new perspective and infused a sense of responsibility in me. I learnt to become more focused and disciplined. The staff and teachers are very passionate and show genuine desire to help students to achieve their goals. The most important thing I learnt was that there is no shortcut to success. We should have dreams and we should work hard to fulfil those dreams.

**Mr.Ajay Balan(14-18 Batch)**

Support staff (Central Water Commission)

VJCET offers an atmosphere of both learning and self development. The staff and teachers are very passionate and show their genuine desire to help students to achieve their goals. The college has great modern facilities which promotes great learning environment.

**Irin Mariya Joseph**

Associate Consultant  
Atos Syntel Chennai

It gives me immense pleasure to share my views with you about this prestigious institution Viswajyothi College of Engineering and technology. Since the 1st day of my college, it has been a wonderful and memorable journey till I passed out of the college and till today these memories reverberates in my mind.I pursued my engineering degree in the Information Technology field. Today where I stand, it's my department and my teachers responsible for moulding me and made me ready to face the outside world. This college gives a student an amazing mentorship program where the mentors put all the efforts on their mentees not only to make them a successful person but also to make them a good human being. Our teachers were always on toes to bring up maximum output and performance from us. Today I proudly say that Viswajyothi College has helped me and is responsible for the knowledge I acquired and also helped me in knowing the importance of delivering technology to help the society. I am always a proud alumni of Viswajyothi College of Engineering and Technology.

### Mahima Harikrishnan

(Pursuing M.A. in Public Administration)

"And the beautiful journey begins..." Going back in time, most of us were in a state of perplexity not knowing which institute we would become a part of. Uncertainty prevailed throughout the process of admission. Walking into a college, holding the hands of your parents as a teenager to begin a new life is always a dream of every individual, and that dream of mine was fulfilled when I kept my first step in VJCET in 2015!! It was indeed a dream come true... I have had a complete makeover in my personality over the four years that I have spent in VJCET, from a timid teenager to a graduate professional, Viswajyothi College of Engineering and Technology has given me the wings to fly high and spread colors. VJCET was never a feeling it was an emotion, an emotion-filled with some really beautiful bonds for the lifetime! So here comes a new chapter of life that will require full of hard work and passion. I would like to thank all the faculties and non-faculties of Viswajyothi College of Engineering and Technology, for the guidance and motivating me throughout my four years of journey in VJCET, their constant support have helped me to shine bright in the universe of education...I will always cherish this B-Tech course in my life.

### Abin Paulose

Electrical systems and Safety Engineer  
RLE International, UK  
EEE 2007-2011

"VJCET has excellent academic facilities, a beautiful campus and exceptional career support. The career coaching helped me very much in getting my first job
