Great minds are like captains, sailing the seas of progress and guiding us towards a brighter horizon. They beckon and inspire others to join them on their journey, providing direction and guidance to ensure that all are headed towards the same destination. Our alumni, a ubiquitous pool of trailblazers, carry the torch of change, exploring uncharted waters and unveiling paths of opportunity for those who follow. Their legacy of inspiration, innovation, and reconnection with the campus has helped to mould our students, preparing them for success in every aspect of life. Ultimately, these virtuous alumni serve as guiding stars, illuminating the way forward and paving a path towards a future filled with promise and possibility..

Msgr. Dr. Pius Malekandathil (Manager)

"The best way to predict your future is to create it." - Abraham Lincoln

We, the creators of our own destinies, hold the power to unravel the future through our actions. Our alumni, with unwavering perseverance, have carved their paths to success, driven by the ambition to make their mark on the world. Their pioneering efforts have broken barriers, conquered the uncharted and expanded horizons, instilling within us the conviction that anything is possible with determination and perseverance. Their triumphs kindle our aspirations to soar high, toil untiringly and excel beyond limits. The indomitable spirit of excellence and the thirst for innovation epitomized by the alma mater in you, have been the cornerstone of our deep-rooted values and the bedrock of our cherished ideals.

Rev. Fr. Paul Nedumpurath (Director)

An alumnus, carrying the igniting flame of our institution's success, represents our alma mater with fervour and pride. Our alumni association, beyond the provision of financial support, has bestowed their time, expertise, and networking connections for the betterment of our institution. From the experiences you have garnered, the lessons you have learned and the values you have imbibed, you have constantly inspired our pupils to aspire for the extraordinary. Guided by the example set by our alumni, we understand that triumph is attainable through diligent effort, unwavering determination, and the pursuit of excellence. The legacy of our accomplished alumni continues to motivate and steer us on the path to follow in their footsteps and create our own place in this world.

Dr. K.K.Rajan (Principal)

Established in 2005, VJCET alumni association creates and maintains a life-long connection between the college and its alumni, who number more than 7,500. VJCET has a very committed and vibrant alumni network with five chapters centered at Kochi, Trivandrum, Chennai, Bangalore, Qatar, UAE, Europe and Canada. Alumni are the most trusted brand ambassadors and VJCET is grateful to them for their generous patronage and support.

The Annual Alumni meet was held on 11th January 2022 at online platform and it was well attended. VJCET alumni association President Dr. K K Rajan welcomed the Alumni and all invitees. Rev. Fr Paul Nedumpurath, Director VJCET inaugurated the alumni meet and then delivered the inaugural speech. Dr. Sidharth Shelly, Secretary VJCET Alumni association presented annual report 2020-21. Mr. Arun K R, Treasurer presented the balance sheet. The annual Alumni newsletter was released by Mr. Mridul George. Mr. Somy P Mathew, Vice Principal, VJCET felicitated the gathering. The Event was glorified with speeches by the Alumni who shared their experiences. The general body elected the same executive committee for the next one year and approved the bye law for registration as per Section 12 of The Travancore Cochin Literary and Scientific and Charitable Societies Registration Act 1955. The formal meeting ended up with a vote of thanks by Mr. Arun K R, staff in charge VJCET Alumni Association.

All departments conducted Technical talks by alumni for graduate students in association with Alumni Association. These talks helped our students to understand the current advancements and scope in engineering field.

Induction Programme for Final Year students (2018-2021 Batch) of VJCET was conducted on 02nd June 2022 through online platform.

As recognition for final year students, the Alumni Association honoured students through the "Best Project Award" from each department with a cash prize of Rs.3000/- per team in the Farewell Day 2022.

An Air conditioned smart studio room with modern facility was sponsored by Alumni association with cost of Six lakhs rupees. Facility contains a smart board, high quality camera, desktop writing pads etc. Facility is used for conducting online classes, webinars, and offline of 40 students seat capacity, Online and Offline training programs. Students & faculty can attend online conference and paper presentation. Studio room was inaugurated by Dr. Mathew Kuzhalnadan, Hon. M.L.A, Muvattupuzha constituency on 28th April 2022 in presence of respected dignities.

Alumni association VJCET conducted different programs associated with departments and NSS unit of Viswajyothi college

Alumni association, NSS & ECE department jointly organized talk on Healthy HABIT, Healthy generation and Endurance

competition on National Olympics day June 23rd.

"JEEVANA " An initiative from the KTU care coordinators of NSS units VJCET and Alumni association VJCET in collaboration with Jeeva Dhara Renal Care Foundation introducing a coupon to help the dialysis patients

VJCET is growing at a fast pace, marching ahead with all its might, definitely with the right spirit and in the right direction. The college rightly envisions itself as a role model in technical education and seeks to be the most preferred choice of students, parents, faculty and industry. VJCET is guided by the core principles enshrined in our Vision statement-moulding professionals par excellence with integrity, fairness and human values. We build in our students a thirst of knowledge, a drive for excellence and work for the total development of their personality. VJCET alumni association maintains the updated and current information database of all members of the Association and provides a forum for the Alumni to interact with the college.

Alumni association activities in association with various departments

Alumni member Mr. Jishnu T.G (2012-2016 Batch), Tata Consultancy Services, was the resource person for the lecture.

➤ Alumni Association of VJCTET organized a talk on "Introduction to AWS and Internet Technologies" for S4 CSE students on

28/04/2022, in association with Department of CSE. Alumni member Mr. Sharon Biju (2014-2018 Batch), working as Devops Engineer, Urolime Technologies was the resource person for the lecture.

On October 29, S1 civil engineering students were given an opportunity to gain valuable insight into the various opportunities available for them in the field of civil engineering and IT field. Ariswarya Roby, an Analyst at TCS Kochi, conducted an alumni talk on "A new Dawn in Civil Engineering" that provided students with a comprehensive overview of the potential career paths and job prospects available in this field. She discussed topics such as how to make use of technology and AI in Civil Engineering projects, what skills are needed to be successful in this field, and how to stay ahead of the competition.

Alumni association VJCEET and Mechanical Engineering department jointly organized a awareness talk for final year mechanical engineering students about higher education at abroad . The resource persons was Mr. Jithu Varghese & Mr. Alen Shanty (2015- 19 batch alumni) M tech students at Germany and Canada.

Alumni association VJCEET organized a technical talk for third semester mechanical engineering students about how to find a

project and awareness about Fab lab. The resource person was Mr. Vishnu K S(2015-19 batch alumni) , Project advisor, Fab lab, Startup Mission , Kochi.

Alumni Testimonial

Vimal Peter (008-2012 EEE)

Project Planning & Control Specialist, ABB India Ltd

Thank you for giving me this opportunity to express my thoughts. The days spent in VJC are one of the most memorable days in my life. The quality of the education provided from VJC was excellent, which I really realized while doing my higher studies outside Kerala. I am thankful to the entire teaching staff for their efforts and hard work, that really helped me a lot in my professional career.

Alumni Messages

Basil Jacob

Senior Software Engineer, Kochi

"For any Engineer, a head start in his career makes a lot of difference in the long run. I thank my college for giving me the opportunity to attend the Infosys Campus recruitment drive of 2017. My friends, teachers and faculty at VJCEET helped me in transforming my character in a good way. I thank all those who have influenced me over my 4 years of college life. Above all, I enjoy being that version of myself who came out of the college more than the one who joined the college."

Chandini Binu

Machine Learning Data Associate (CPEX), Amazon

"The time I spent in VJECT is filled with cherishable memories and fruitful learnings. Whole credit goes to the very experienced and always supporting faculty and my amazing batch mates. Those four years gave the perspective and helped me to push my limits and explore myself."

Anitta Elizabethu Benny

M.Tech NITK

(2017-2021 Batch)

"Viswajyothe holds a special space in my heart. VJC moulded me into the person and professional I am now. I am thankful to the HOD and other faculty of the Civil Engineering dept. The Placement cell deserves mention for the effort they had put into grooming us. The campus is one-of-a-kind beauty blended well with nature. The expertise and encouragement of the faculty helped me quite a lot. Thank you VJCET for all the encouragement, motivation, kindness, guidance, help and support I received throughout the four years I got to spend there and the years after that. I am forever proud to be a VJCETian."

Thasli K Moideen

M.Tech Student at Cochin University of Science and Technology

(2018-2022 BATCH)

"VJCET is that part of your life that you are going to relive in your memories till you breathe. It is indeed a proud moment for me to thank the entire VJC community for moulding me as an engineer, who I am today. The four years of VJC life

has given me the wonderful opportunity to experience the zenith of success and at the same time depths of pitfalls of failure. Viswajyothe also instilled the courage to have faith in our own ideas and to be tough enough to fight the world with confidence. I would also like to thank my Civil Engineering department, our beloved HOD and the entire faculty who are the prime reason for shaping my destiny. The campus, its beauty, our teachers, the fests and above all my friends are unforgettable. I would like to thank you all for the indelible chapter of my life".

Alumni Sponsored Studio Room.

An Air conditioned smart studio room with modern facility sponsored by Alumni association with cost of Six lakhs rupees.
