## College Profile

Viswajyothi College of Engineering & Technology (VJCET) is yet another hallmark of the commitment and experience of the Catholic Diocese of Kothamangalam in the field of Education.

VJCET was established in the year 2001 as a self financing Engineering College and affiliated to Mahatma Gandhi University, Kottayam, Kerala. Later in 2015, the college was affiliated to APJ Abdul Kalam Technological University, Thiruvananthapuram, Kerala and ever since, it has grown and earned reputation as a trendsetter in Engineering and Management Education. The College is situated in a sprawling campus of 26 acres, nestled among lush greenery over a hillock on the side of State Highway No. 8, about 5 kms from Muvattupuzha en-route to Thodupuzha .

A highly committed Management Team with the noble vision of transforming Viswajyothi College of Engineering & Technology into an International Center of Excellence in Engineering, Business Administration and Hotel Management with competent and dedicated Faculty, scientifically planned infrastructural facilities, modern laboratories, workshops and full fledged teaching – learning set ups along with an excellent work culture and campus atmosphere has enabled VJCET to carve a niche for itself amongst the self- financing colleges in Kerala within a short span of time.

## Vision

**“Moulding professionals par excellence with integrity, fairness and human values”**

## Mission

- We commit to develop the institution into a Centre of Excellence of International Standards.
- We guide and mould our students in the attainment of intellectual and professional competence for successfully coping with the rapid and challenging advancements in technology and the ever changing world of business, industry and services.
- We help and support our students in their personal growth shaping them into mature and responsible individuals.
- We strive to cultivate a sense of social and civic responsibility in our students, empowering them to serve humanity.
- We promise to ensure a free environment where quest for truth is encouraged.

# VISWAJYOTHI

Jesus Christ revealed himself  
as **the Light of the World - Viswajyothi.**

Jesus said "I am the Light of the World".

We dedicate ourselves to Jesus Christ the Light of the World,  
who dispels the darkness and illumines of our intellects, hearts  
and lives. We owe every success to his divine love and mercy.

## Department of Computer Science & Engineering

Vision	<b>“Moulding socially responsible and professionally competent Computer Engineers to adapt to the dynamic technological landscape”</b>
Mission	<ol style="list-style-type: none"> <li>1. Foster the principles and practices of computer science to empower life-long learning and build careers in software and hardware development.</li> <li>2. Impart value education to elevate students to be successful, ethical and effective problem-solvers to serve the needs of the industry, government, society and the scientific community.</li> <li>3. Promote industry interaction to pursue new technologies in Computer Science and provide excellent infrastructure to engage faculty and students in scholarly research activities.</li> </ol>
PEOs	<p>Our Graduates</p> <ol style="list-style-type: none"> <li>1. Shall have creative and critical reasoning skills to solve technical problems ethically and responsibly to serve the society.</li> <li>2. Shall have competency to collaborate as a team member and team leader to address social, technical and engineering challenges.</li> <li>3. Shall have ability to contribute to the development of the next generation of information technology either through innovative research or through practice in a corporate firm.</li> <li>4. Shall have potential to build start-up companies with the foundations, knowledge and experience they acquired from engineering education.</li> </ol>
PSOs	<ol style="list-style-type: none"> <li>1. Ability to integrate theory and practice to construct software systems of varying complexity.</li> <li>2. Able to apply Computer Science skills, tools and mathematical techniques to analyze, design and model complex systems.</li> <li>3. Ability to design and manage small-scale projects to develop a career in a related industry.</li> </ol>

## Department of Electrical & Electronics Engineering

Vision	<b>“Mould globally competent Electrical and Electronics Engineers.”</b>
Mission	1. To provide the best academic ambience. 2. To develop technical and soft skills to cope up with the emerging global scenario. 3. To enhance knowledge by industry and alumni interaction.
PEOs	1. Graduate shall have the fundamental and advanced knowledge, analytical and scientific skills to design technically and economically viable engineering solutions. 2. Graduate shall have the culture and attitude of team work, to help in upbringing socially committed Entrepreneurs engaged in lifelong learning. 3. Graduate shall have professional communication skills, social values and work ethics.
PSOs	1. Ability to apply fundamentals of Engineering in analyzing multidisciplinary issues, developing solutions with professional and ethical responsibilities and promoting conventional and unconventional methods for higher research. 2. Ability to apply Electrical engineering knowledge to perform circuit analysis, troubleshoot electrical machines and optimize power system designs by incorporating analog and digital controls.

### AICTE - NOTIFICATION ON ANTI RAGGING

**Sub: Prevention and prohibition of Ragging in technical Institutions, Universities including Deemed to be Universities imparting technical education.**

**F.No.37-3/Legal/AICTE/2009**

**What constitutes Ragging:** - Ragging constitutes one or more of any of the following acts:

- a. Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student;
- b. Indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student;
- c. Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student;
- d. Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher;
- e. Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.
- f. Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students;

Every student is cared for and looked after well in the campus. The mentor is like a second parent to a student. No student in this campus is anonymous.

### **10. Counselling**

Full time counsellors are appointed to look into special needs of students. Students are free to consult them during free time.

### **11. Remedial Coaching / Bridge Course**

Bridge courses are conducted to bring up students to a benchmark. Remedial coaching is given to needy students to make up for their low performance.

### **12. Placement & Training Cell**

The Placement and Training cell monitors the employment opportunities, cater to enhance employability of students and arrange campus interviews. Our

Viswajyothi College of Engineering & Technology  
Campus recruitment program starts right from the penultimate semester. The students aspiring for higher studies are encouraged to undergo GATE/ CAT, GRE and GMAT exams.

The Placement Training & Counselling Cell offers career guidance and support for graduating students on educational and job placement. The training division of the PTC implements need based professional, personal development and value added training programs for the benefit of the student community and faculty. Counselling helps students explore vocational– educational possibilities and in resolving personal or social problems, if any.

### **Guidelines for the students:**

- The students are expected to register their names during the last month of the 3rd year and thereafter it is their responsibility to update the database at the PTC office about their academic credentials on a continuous basis.
- The following trainings are imparted to the students by PTC department
  - 1.Communicative English
  - 2.Personality Development Program
  - 3.Aptitude Training
  - 4.Technical Training on domain skills
  - 5.Grooming Sessions - GD, Resume & Interview preparation
- If a student wants to withdraw his/her name after registering for an on campus or off-campus interview, he/she should do so at least 3 days before the scheduled time of the interview so that appointments may be given to a student next on the list. If a student fails to inform, no more interviews will be arranged for that student.
- If a student has accepted a job offer, that student normally will not be allowed any more interviews, the interviews scheduled earlier for that student will also be cancelled so that the opportunity could be given to other students.
- Summer training : Interested students can avail this opportunity by filling up their details in a form available at the PTC.

## Viswajyothi Business Incubation Centre (V-BIC)

Realising the need for entrepreneur development among the students and to incubate startup companies in the Campus Viswajyothi Business Incubation Centre (V-BIC) was launched in VJCET on 26.04.2019. In the business incubation centre, startup companies of students, faculty members, aluminis and technically or professionally qualified youngsters from surrounding area are functioning for business incubation. The space available in VJCET V-BIC is around 1700 square feet, with up-to-date infra structure for business development.

The management team of Viswajyothi Business incubation centre are Mr. Johnson Parayannilam (Management Coordinator - V-BIC), Dr. K K Rajan (Chief Executive Officer - CEO), Mr. Joe Mathew Jacob (Executive Officer - V BIC), Mr. Jomu M George (Executive Officer - V BIC), Mr. Sanoj Sajju (Chief Technology Officer—CTO, V-BIC)

## Foreign Language Division

The German language course was launched at VJCET on 4th February 2019. The class was launched with a mission to prepare students to obtain the B2 exam certificate, which is required to be submitted by the Consulates along with their German visa Application.

So far we have begun 3 batches where the majority of students are GNM or BSC nurses and Engineering students. Hostel accommodation has also been made available for the students. Almost all our first batch nurse students are already reached in Germany and started their Job in the hospitals.

At present we offer classes to our B.Tech graduates, Degree students & Plustwo students who would start their 18 months internship in Germany in 2023. Apart from B.Tech students we have Plus Two passed students who like to do their studies in Germany and are also undergoing the coaching.

We have two faculties of Indian origin. We also bring professional German teachers from Germany as per our need for the levels B1 and B2.

The normal time for an average student to reach German Language B2 level would be 8-10 months.
