UNITED NATIONS ACADEMIC IMPACT

Name of The Institution

Viswajyothi College of Engineering and Technology (VJCET), Vazhakulam, Muvattupuzha, Ernakulam, Kerala was established in the year 2001, as a self-financing Engineering College affiliated to Mahatma Gandhi University and Kerala Technological University (KTU).

Reporting Period

The UNAI association of VJCET was inaugurated in November 2017. The reporting activities were carried out in the academic year of 2022-23.

ACTIVITIES

1.   Selected Executive Committee Members 2022-2023

1.	Coordinator	Alen Belji
2.	Joint Coordinator	Jifi Jimmy
3.	KFUNAI Student Council Member	Abhinav P George
4.	KFUNAI Joint Student Council Member	Bastin George
5.	Documentation Committee Head	Teena Vithayathil
6.	Joint Documentation Head	Ann Lia V.B
7.	Documentation Committee	Alex Biju
8.	Documentation Committee	Joel Jose
9.	Documentation Committee	Bhavana Nair
10.	Documentation Committee	Gowri Saadhika
11.	Documentation Committee	Arun Simon

12.	Documentation Committee	Betsy K Eldhose
13.	Documentation Committee	Amal K Saji
14	Programme Committee Head	Abino Poulose
15.	Joint Programme Committee Head	Gouripriya N Nair
16.	Programme Committee	Abin Benny
17.	Programme Committee	Haripriya Biju
18.	Programme Committee	Elsa Anju Siby
19.	Programme Committee	Ans Tomy
20.	Programme Committee	Annet Sabu
21.	Programme Committee	Jessa Maria Joby
22.	Programme Committee	George Varghese
23.	Finance Committee Head	Celiya Saju
24.	Joint Finance Head	Emy Maria Tom
25.	Logistics Committee Head	Albin Thomas
26.	Joint Logistics Head	Dona Gilson
27.	Design Committee Head	Sajitha Francis
28.	Joint Design Committee Head	Amala Mary Saji
29.	Design Committee	Sanithamol Sabu
30.	Design Committee Head	Hanna Salam
31.	Content Creator Head	Serene John

2.   Video Making Competition - VIMOCHAN

The video making competition "Vimochan", centered around the critical theme of "Say No to Drugs" took place from October 17th to October 19th, 2022, and left an indelible mark on the participants and the audience alike. The event, organized by the UNAI, aimed to raise awareness about the dangers of drug abuse and encourage a drug-free lifestyle through the power of visual storytelling. The competition saw a commendable participation of individuals from diverse backgrounds, showcasing their creativity and social consciousness. Participants produced compelling videos that not

only conveyed the perils of substance abuse but also offered inspirational messages of hope, resilience, and recovery. The event fostered a sense of unity and commitment to a drug-free society. There were almost 50 team and individual participants. The winners of the competition received recognition for their outstanding contributions to this crucial cause. First prize was won by the team of Joel Raju and Josu Geo and second prize by Alen Belji. Prizes worth Rs. 1700 were given to the winners. UNAI event "Vimochan" served as a resounding reminder of the importance of collective action in tackling the global issue of drug abuse and promoting healthier, drug-free communities.

3.   Seminar - Introduction To Web Designing

On February 12, 2022, a highly informative and engaging seminar on "Introduction to Web Designing" based on HTML and CSS was conducted at the CAD lab for first year students. This event was a part of the UNAI series, designed to equip attendees with fundamental skills in web development. The seminar was conducted by Alen Belji, Abino Poulose, Albin Thomas and Teena Vithayathil. The seminar provided an excellent platform for both beginners and those with some prior knowledge to learn and discuss the basics of HTML and CSS. With practical demonstrations and interactive sessions, participants gained valuable insights into the world of web designing. This event successfully introduced attendees to the foundational aspects of web designing, setting the stage for future learning and exploration in this dynamic field.
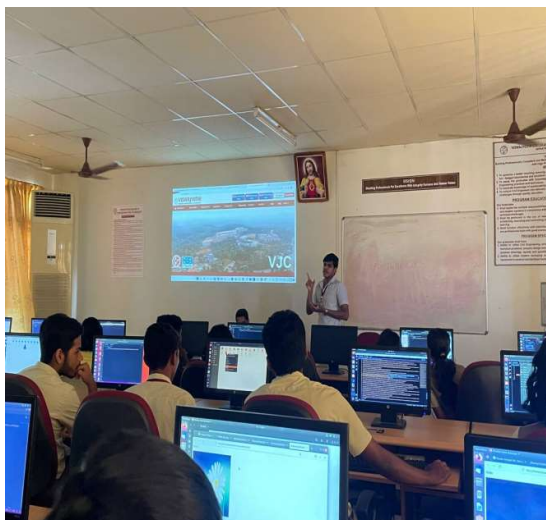

4. Workshop – IOT XPLORE

The "IoT Xplore" event was held as part of the annual tech fest BODHI'23 on March 29, 2023, in the Systems Lab, was an enriching and hands-on workshop dedicated to exploring the world of the Internet of Things (IoT) with more than 100 participants. The workshop was led by Mr.Dixon Sunny, student , VJCET. This event garnered the attention of students who gathered to delve into the intricacies of IoT

technology. The workshop featured a series of engaging sessions and practical demonstrations, enabling participants to gain a deeper understanding of IoT concepts, applications, and their real-world implications. The event not only served as a platform for sharing knowledge but also fostered collaboration and networking among the attendees. Around 150 students have participated in this workshop. "IoT Xplore" was a testament to the growing significance of IoT in the tech industry and provided a valuable learning experience for all who attended.
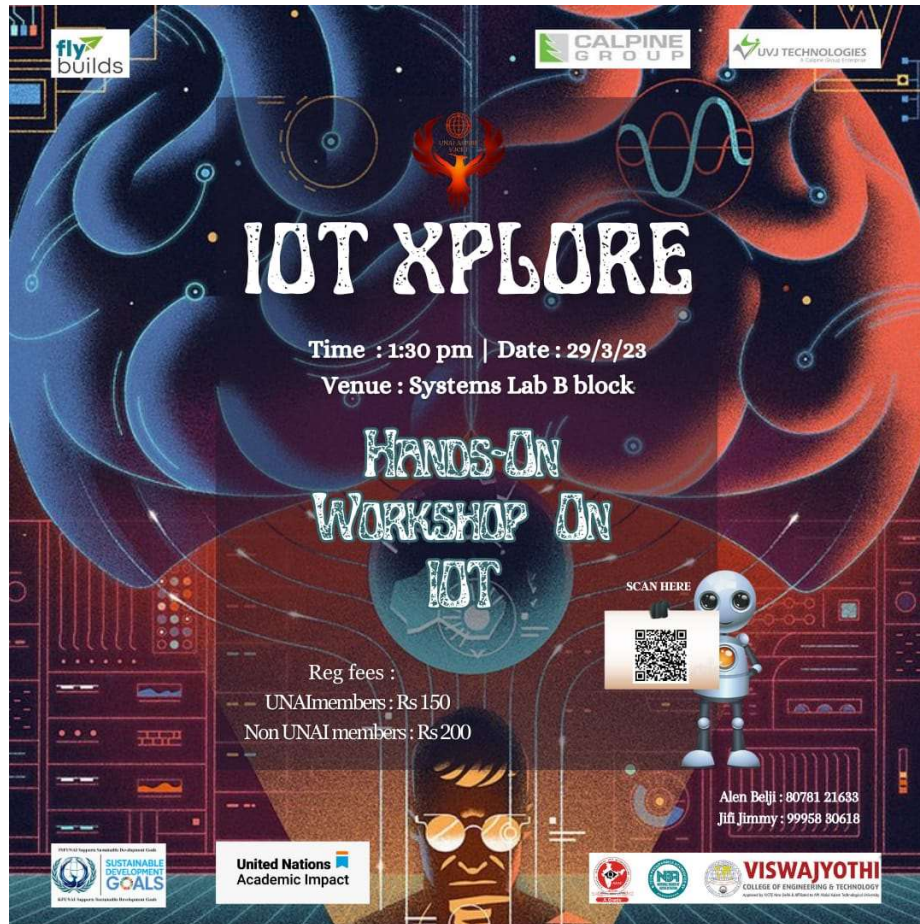

5.   Quiz - QUIZZLE

The UNAI Event "Quizzle", a quiz competition, was conducted as part of the annual tech fest, BODHI'23 on March 29, 2023 at 10am, at the CCC venue. It was a highlight among the diverse array of activities and contests that comprised BODHI'23. Around 100 participants have competed for the quiz. It consisted of three rounds and participants were eliminated each round depending on their overall ranking. The quiz competition offered participants the chance to test their knowledge, quick thinking, and

teamwork, making it an engaging and intellectually stimulating experience for all attendees. Prizes worth Rs. 2000 were given to the winners. With its thought-provoking questions and enthusiastic participants, the UNAI event "Quizzle" contributed to the overall success and vibrancy of BODHI'23, showcasing the festival's commitment to fostering a culture of innovation and learning.

6.   Success Story

During the 2022-2023 academic year, UNAI VJCET hosted several impactful events. Among them, two stand out as resounding successes. The "Vimochan" video making competition, centered around the theme of "Say No to Drugs," gathered widespread attention and participation, effectively raising awareness about the critical issue of substance abuse. Additionally, the "IoT Xplore" workshop, focusing on the Internet of Things (IoT), provided a valuable platform for students and professionals to explore the potential of IoT technologies, fostering innovation and knowledge sharing. Both of these events not only achieved their intended objectives but also

contributed significantly to UNAI's mission of promoting social responsibility and academic engagement.

7.   Lesson Learned

The recent series of events, comprising the "Vimochan" video making competition, an introductory seminar on web designing, "IoT Xplore" hands-on workshop, and the competitive "Quizzle" quiz, have provided invaluable lessons. "Vimochan" demonstrated the power of creative expression in spreading awareness about saying no to drugs, highlighting the importance of art and media in addressing societal issues. The web designing seminar showcased the significance of coding skills in today's digital world, emphasizing the need for technological literacy. "IoT Xplore" exposed participants to the exciting world of the Internet of Things, reinforcing the necessity of adapting to emerging technologies. Lastly, "Quizzle" reminded us of the joy in learning, showcasing the value of knowledge and healthy competition. Together, these events underscore the importance of continuous learning, creative expression, and staying informed about the evolving world of technology.
